

THE SHOPS
AT THE RITZ-CARLTON®

It is our entire automotive philosophy set in motion.
Again.

The 2015 S-Class.

127 years ago, the founder of Mercedes-Benz challenged his employees to deliver "the best or nothing." The 2015 S-Class is proof that his words still resonate to this day. Building on its own history of innovation, the groundbreaking new S-Class features 12.3" high-resolution screens, hot stone massage seating and an aromatic filtration system on the inside, while on the outside a revolutionary MAGIC BODY CONTROL system uses cameras to scan the road for imperfections and instantly adjust the suspension for a superior ride. The 2015 S-Class is the flagship Mercedes-Benz that not only makes a statement, but answers a calling.

2015 S550 shown in Iridium Silver metallic paint. May include optional equipment. No system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Always wear your seat belt.

Test drive the innovative S-Class today
at the Mercedes-Benz dealer near you.

The best or nothing.
